**New leases standard implementation Part I:
A conversation with the FASB — October 24, 2017**

Participant responses to certain polling questions, for whom the questions were applicable

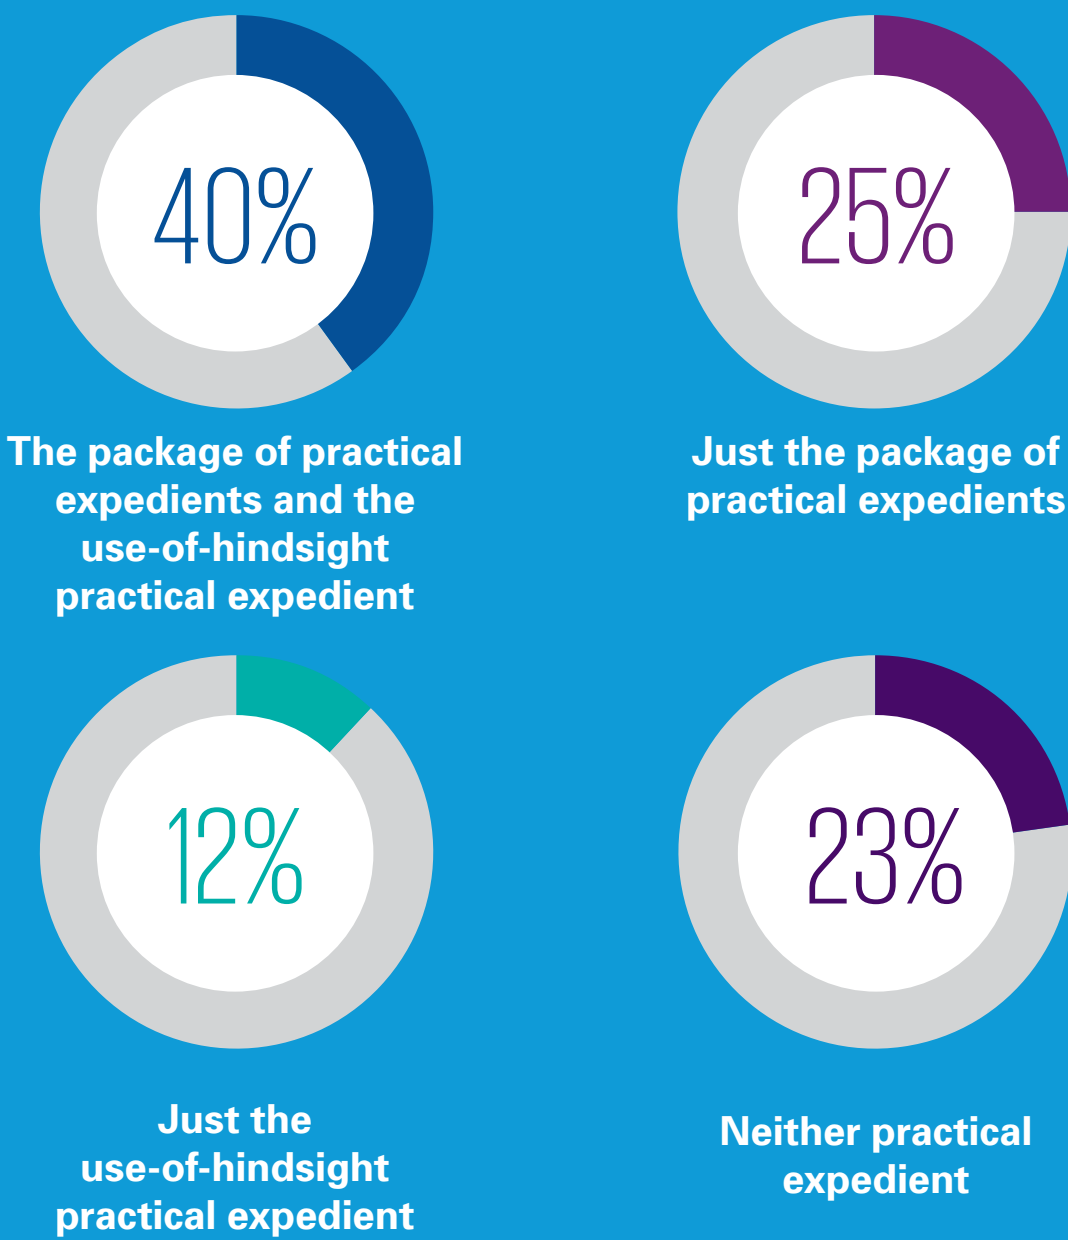

Where are you currently in your implementation of Topic 842?

Do you anticipate acquiring a new IT solution for your lease accounting? And have you selected a vendor yet?

Which of the two issued transition practical expedients do you expect your company will elect?

What type of information have you disclosed about the new leases standard in your SAB 74 disclosures to date?
