

Edmund Hillary School

Recycled furniture

Thanks to the KPMG's Auckland Facilities team, Felipe Carvajal & Joseph Bruce, who suggested we donate some furniture that was being replaced.

Over 60 chairs were delivered to Edmund Hillary School in July 2022, along with some excess office stationery.

Great recycling of perfectly useable furniture.

Library stocktake

In July 2022 a few members of the Auckland Cyber Security team spent the morning at one of KPMG's partner schools, Edmund Hillary School in Papakura to do a stock take of the school's library books. During the course of the morning, the team scanned around 3,300 books.
